## THIS WEEK'S CHUCKLE

There's nothing wrong with following a train of thought... as long as it ultimately pulls into the station,

## Is It Really Worth It?

Jenny Howard

When prospective students come to Marian, most likely, they notice little details including signs and announcements. One such announcement is the one under the February Calander at Clare Hall saying: "The person who took my sign from downstairs, return it to where you found it!! Sister Mary Rose. Taking things that do not belong to you is not a prank--it called stealing!"

Obviously, the computer-printed sign that is framed is special to Sister Mary Rose. Whoever took it must have been desperate for a picture frame or Sister Mary Rose's name. Hopefully, you will think twice about what you did and return it to it's owner. I mean, how much of a value it it to you? How valuable is it to Sister?

Do we want to Marian look bad by actions such as this? This is just another incident which occurs at Marian that could be stopped. What ever happened to the platitude... "Respect thy neighbor's property"?

Have you ever thought of dropping out of school to join the Army, or any other branch of the armed services for that matter, because college life wasn't exciting enough for you? I know I haven't. Humanities tests are enough excitement for me. My brother did (of course he didn't go to Marian otherwise he wouldn't have wanted to leave all of this excitement).

Mark left Wednesday for basic training. I don't know if he'll survive, he can't even get a charley horse without everyone in the neighborhood knowing that he is experiencing a little pain. What will he do when he has to run five miles or get up at 5 o'clock in the morning (he is not accustomed to awaking much before 11:00--p.m. that is)?

Have you ever felt that someone you know is about to make the biggest mistake of their life, but you don't say anything because you know that they have to find out everything for themselves? Personally, I feel that my brother should have gone into the

the Marines. He could use some real discipline. When a twenty year old complains to to his mother because of the pain of a hang-nail I think that maybe he needs a little discipline (or maybe a bullet for him to bite). Mom thinks that he should go into the Air Force (because he won't have to get his head shaved which would make his ears more prominent). Dad was in the Army and he says "Anything but the Army."

There is one good thing coming out of Mark's joining the Army that is he is leaving his car at home, my seventeen year old sister thinks so anyway. Mark gave her permission to drive his Camaro whenever she likes (which will be often). Must be nice, Mark is just going into the Army but I have been driving a tank for years (still do for that matter).

Last week, the men and women had a fairly easy week of basketball.

The men travelled to I.U.P.U.I. Saturday, February 9 and were defeated by the Metros 65-61. Dave Mahurin was the Knights leading scorer with 16 and the leading rebounder with 8. Darren Fish contributed 12 points while Mike McMenzie added 10. Dave Back grabbed 5 rebounds and Joe Rosswurm added 5 assists for the Knights.

The mens' next game is Saturday, February 16 when the host is Earlham. Game time is 3:00. Be there!

The Women played an exciting game against Franklin last Friday, February 8. The score changed hands many times throughout the game. Marian trailed by 1 point with 8 seconds to go when Freshman, Carla Bessler hit a shot at the buzzer to give the Knights a 78-77 win. Bessler finished the game with 14 points. Liz Gilmore was the leading scorer with 16 points and the leading rebounder with 8. Kim Zeronik grabbed 6 rebounds to help in the Knight victory.

The womens' game scheduled for Tuesday, February 12 against Anderson was cancelled due to bad weather. They travel to Manchester Saturday, February 16 if weather permits.

## GODSPELL

Dan Johnson

Did you ever think about Jesus singing and dancing? Well, according to the story about to be told here at Marian, he does pk plenty of it. As do the nine people who have chose to follow him.

One week from today, Friday, February, 22, the Marian College Theatre Department will present its version of "GODSPELL". After several weeks, and long, tiresome, hours of rehearsing, under the direction of Elizabeth Ware Edgecombe, the cast is finally ready to make its debut. Not only will the show be presented on Friday, but also on Saturday, February 23, and Sunday, February 24, at 8:00 p.m., (all three nights), in the Marian Auditorium.

The cast consists of the following people: Trinia Cox, Jane Forthman, Kelly Ann Gallagher, Benjamin Glen, Jeffrey Johns, Daniel A. Johnson, Stephen Striby, Martinlow Spaulding, Stephanie Summerville, and Vanessa Wilson.

Also, joining the cast, as very fine and talented musicians, are: Bob Bunting- Bass guitar, Sandra Groves- tambourine, Mike Holper, Sally Lorenz, and Julie Siefke all on acoustic guitar, Scott Reid- electric guitar, Chris Orr- drums, Beth Solar- piano, and heading this group as musical director, is Sara Reid, who also plays the electric piano in the band.

Please come and see this fine musical. It has a definat message which is much needed to be spread, as well as heard. All Marian students are admitted free with your I.D's. Bring your friends, they'll love t it, too. For further information call the swithcboard. I hope I will see all of you there, I know I will be.
